

NH Adult Education *Teachers and Counselors*

- Are you working with your students on career and college awareness/planning as they work toward their English language, basic literacy, and GED preparation goals?
- Are you looking for ideas on how to integrate postsecondary transition work into your teaching of ABE, GED, or ESOL?
- Do you have strategies for integrating postsecondary transition into adult education classes that you'd like to share with others?

If so, then you will want to participate in the Transition Sharing Group.
